

# Europe: Kitchen Sinks & Taps/mixers

**Publication Date:** December 2005

**Price per report:** €1,650

## Kitchen Sinks & Taps/mixers Report

Consult GB has now completed its European study on Kitchen Taps & Mixers and Sinks in **8 European countries: UK, Germany, France, Spain, Italy, Belgium, Netherlands, and Russia.**

## Report contents

This report contains specific information for kitchen taps and mixers and for kitchen sinks on:

- market sizes and trends by type of product (for kitchen taps and mixers) and by
- type of material and product (for sinks)
- market values and average prices
- market sizes by price segment
- main suppliers, market shares, details of product ranges and activities
- distribution structures, flows and practices (including, for example, OEM and private label supply arrangements)
- forecasts of key trends relating to all of the above topics.

All the topics are analysed within the perspective of the overall kitchen products market, and for taps/mixers, of the overall sanitary taps and mixers market.

## Product Scope

This report gives an in-depth insight into the development of each market:
